Before the Commission is the motion of Louisville Gas and Electric Company (“LG&E”) to hold this case in abeyance pending a final Order in nine complaints¹ presently before the Commission.² In support of its request, LG&E states that the issue in this case involves Original Sheet No. 82.1 of LG&E’s electric and gas tariffs and that these tariffs are the subject of the pending cases listed below in Footnote 1. LG&E contends that the Commission’s decision in those pending cases may affect LG&E’s

position in this case. LG&E further requests another opportunity to satisfy the complaint herein after a final determination is made in the pending cases.

The Commission, finding good cause and being otherwise sufficiently advised, finds that this case should be held in abeyance until a final decision is rendered in the footnoted cases because the abeyance will avoid unnecessary costs and proceedings, but will not result in undue delay or prejudice to the Complainant or to any party in this proceeding. The Commission further finds that, within 20 days from the date of the final Order in the pending cases, LG&E may attempt to satisfy the complaint herein.

IT IS THEREFORE ORDERED that:

1. This case shall be held in abeyance until a final decision has been rendered in the cases listed in Footnote 1.

2. Within 20 days from the date of a final decision in the cases listed in Footnote 1, LG&E shall inform the Commission whether or not the complaint of James Nolten Blair has been fully satisfied.

Done at Frankfort, Kentucky, this 24th day of July, 2006.
